President's Message

Congratulations to Malena Tappan and Mary Hurst, and your wonderful Committee on the magical, elegant and very successful Spring Social "That Old Black Magic"!

It was a fabulous event and the Starlight Ballroom looked absolutely stunning, with the beautiful décor and candelabras all lit when the guests arrived. What can I say, but WOW, IT WAS GREAT!!

Debra Lee and the Trigger Happy Band played great dance music that brought back memories. All of the magicians were so entertaining. I still cannot believe what we saw. I don't know how they do what they do that is why it is called magic!!! All of the "helpers" were good sports too!

The meal was just delicious and the Castaway provided great service. I heard many compliments about the food and the efficient wait staff.

Congratulations to all of the winners of the \$1,000.00 cash from the Opportunity Drawing. They were Laureen Ensoso, Nancy Lee-Wintering, Sue Meckley, Janet Jack (\$500.00 each), Pam Pouliot and Lorraine Korn (guest of Alicia Katz). Ron Rothacher and Don Hurst each broke even as they won back their initial investment of \$100.00. Also, thank you to all of the husbands who sold the tickets and helped with the drawing.

Thank you from the bottom of my heart!

EVERYTHING OLD IS NEW AGAIN

Summer Meeting September 12 at
Oakmont Country Club.

The Summer Meeting is our chance to really celebrate the Thrift Store! Do you recognize these fashion profiles from across the decades? I don't know about you but I would still wear ANY of these! This is the essence of the theme for our Summer Meeting, EVERYTHING OLD IS NEW AGAIN. Fashion is cyclical and the lines repeat themselves so that with a tiny tweak, a beautiful drop-waist dress that could scream 1928 can be fabulous 2015 fashion! See that great "colorblock" dress from 1960? Wouldn't that make a great statement dress right now?

Our Thrift Store gets wonderful donations everyday and this is our chance to show them off, let them shine, and have a second life perhaps better than the first. And to enhance the theme even more our centerpieces will continue the theme by showing how we can breathe new life into someone's "old" things! They will be made primarily of some of our best donated items!

Save the date (September 12) and invite your friends and **prospective Guild members** to join you and see what our Thrift Store and Guild has to offer in FUN and FASHION!!

Ann O'Donnell-Gardner 2015 Summer Meeting Chairman

Christmas In July

Santa's on his way (already?) Wow, time flies.

He's coming to the Thrift Shop for the annual "Christmas in July Sale" July 18. Preparations are underway at the "annex" (837 Eton Drive), which has been filled to the brim with Christmas items from storage by Ron Spang.

Santa's Elves will be meeting each week starting June 26 until all bins, boxes, bags have been unpacked, priced and repacked for a trip to the Thrift Shop on July 17. Then the Shop will be transformed into a "Holiday Wonderland", where almost anything Christmas can be found.

Santa's Elves have fun working on this undertaking and anyone interested in helping please contact me for dates—818-845-0551 or loreliekelly@gmail.com

Patroness Liaison Sharon Terranova is planning a Bake Sale, with delicious goodies baked by members. If you would like to donate please contact her at 818-843-3360 or jterra1004@sbcglobal.net.

This is always a fun project—please join us at the workshop, setting up on July 17, or working on July 18.

Historic Medical Milestone in Haiti Led by CHLA Physicians

Two weeks ago, an 18-- - person medical team left CHLA on a medical mission to Haiti. Henri Ford, MD, MHA, vice president, surgeon-- - in-- - chief and chair of the Department of Surgery, led an international team of clinicians in a complex, seven-- - hour surgery to separate conjoined twin girls, Marian and Michelle. Among the caregivers who participated in this historic event, 18 members were from CHLA and Keck Medicine of USC and 12 members were from Haiti.

The surgery was a success and the girls, now just over six months, are progressing through their recovery well. Local media covered the surgery as a source of national pride—an acknowledgment that Haiti is progressing towards full recovery from the earthquake it experienced in 2010 and that it has reached a new milestone in its ability to care for its people. We believe that CBS' national coverage of this historic effort will highlight the impact of CHLA's mission on an international scale.

Sincerely,

Richard D. Cordova, FACHE
