Thank You, Joan!

Reflecting over the past year, we must pause and give our sincere gratitude of thanks to Joan Chandler for her hard work and wonderful leadership, bringing us to another successful and prosperous year! As our 2015-2016 Guild President, Joan can best be described as loving, warm and sincere and has in her heart the Guild's best interest!

Joan is thoughtful, understanding and is always ready listen to our members' concerns. Joan challenged us to do our very best in supporting the endeavors of the Children's Hospital of Los Angeles. She never rushed to judgment but always thought things through for the good of the Guild. Her detailed style and communication is clear and she always stood strong on what she believes to be the best for our Guild.

Joan Chandler, we "thank you" for your service and want only the very best for you and Chris!

Who's Running the Store...?

Lorelei Kelley, member since 1977, is our 2nd Vice President and is serving her second year as Chairman of the Thrift Shop. We are pleased to have her continued service managing our shop this year! It is a huge task and Lorelei will need the support of every member to make sure the shop is running efficiently! Let's do our very best to support our Thrift Shop Chairman and help get those sales way up! We do not take our member's time for granted and we thank you for your volunteer spirit! We look forward to making big sales for the Hospital this year and we look forward to working with you in our shop!

Nancy Johnson, member since 2000, is our new "calendar girl". Nancy will be scheduling the Thrift Shop days for our members. It's not an easy job and it takes a lot of time and energy to make sure that the store is fully staffed on the days that the shop is opened. Sign up today!

Sue Meckley, member since 2011 is our Thrift Shop treasurer.

Associate and Active members are responsible for working 10 days per year in the Thrift Shop. Ask Nancy about adding your name to the calendar. Calendars are available at the "calendar table."
